Co-President's Memo

Hello Quilters,

I'm looking out my quilt room window at the bright sun light and beautifully calm day out. The spring flowers are peeking above the ground ready to give us a riot of color. I always wish I could capture all the wonderful colors in my quilts, how about you?

Thank you to O'Susannah's, Cayuga Lake Quilt Guild, Piecemakers Quilt Guild and The Undercover Quiltert for hosting the meeting in Watkins Glen on March 16th. You did a wonderful job and fun was had by all. What a lively meeting it was for my first acting as facilitator and I greatly appreciated the e-mails that so many of you sent letting me know that you had a good time too.

For those delegates who were unable to come we got a surprise gift from O'Susannah's. We received a pin dish which was made from tea bag coasters with magnets underneath. I have been using mine and have found that it really does prevent my pins from finding their way to the floor.

We still need some volunteers to take the empty slots on our board so if you are interested please step up. Do you know someone who is a bit shy but would make a good member to the board? Let us know.

Don't forget to bring your creations for the Alzheimer's Quilt Project in June. I hope someone takes good pictures.

I won't be with you in June since I will be in Texas at my granddaughter's high school graduation but will see you in September. Have a wonderful summer and drop me a line if I can be of any help. Keep quilting!

Pamela Langdon
Co-President
